

Apêl y Santes Fair, Porth Tywyn The St Mary's, Burry Port Campaign

Newyddion: Rhif 2 Chwefror 2009
News: Number 2 February 2009

It was wholly appropriate that friends of St Mary's and the Campaign should enjoy a fun celebratory evening in the Ashburnham Golf Club on 30 January. Since the launch just over four months ago we have completely finished and paid for phase one of the Campaign! The scaffolding has now been removed and St Marys looks very smart with her new hat, downpipes and leadwork!

Having completed all the exterior work in phase one we are now turning our attention to phase two – development of the interior of the building. In this regard we are delighted to announce the appointment of **Caroe & Partners** of Wells as our architect. Caroe have a distinguished portfolio – amongst recent projects being the Cathedral Cloisters at St Davids. They are now proceeding with designs.

The Patrons and Executive Committee of the Campaign are extremely grateful to all who have been so generous in their support of this exciting project to date. It is truly amazing that since the launch of the campaign to raise £300,000 just four months ago, we have raised almost £170,000 – in the first 12 weeks of the 104 week campaign we are over half way – this bodes very well! It is crucial that this success continues. We will be continuing to hold information evenings over the forthcoming months. Please come along and hear more about progress. If you are able to support the Campaign and have not already given, the treasurer would be delighted to help you on 01554 833449.
