

Apêl y Santes Fair, Porth Tywyn
The St Mary's, Burry Port Campaign

Newyddion: Rhif 3 Mehefin 2009
News: Number 3 June 2009

The vicar has only just returned from Cloud 9 after hearing on 9 June that the Diocesan Advisory Committee has agreed to recommend to the Diocesan Chancellor that he grants a faculty for the internal work to St Mary's. This is the green light from the church authorities for us to proceed with Phase II of the Campaign. We are so grateful to Caroe & Partners our architects for all the hard work they have put into the final designs which are on display in the church and can also be viewed on the website. The DAC described them as 'excellent' and commended the PCC. We are confident this stunning design will so enhance the life of our church and community. All we need now is the rest of the money!

Fundraising has exceeded all our expectations. Of the 93 gifts that we need to complete the campaign we are only looking for another 22. This is outstanding. We now need a final shower of generosity from those who have not yet given as well as the grant aid which we are now in the process of applying for. Our huge thanks go to all who have contributed so far. Diolch o galon i chi i gyd!
